The mission of Ninja Selling is to do 3 things:

1. Increase your income per hour
2. Increase your customer satisfaction
3. Improve the quality of your life

“Ninja Selling is more than a way of selling. It’s a way of life.”

Ninja Selling 1 is a powerful one-day seminar modeled after the methods and philosophy of one of the most successful real estate companies in the country. Using unique processes, systems, and dialogs that they have developed, The Group, Co. Inc., of Northern Colorado with 245 partners, averages 44+ transactions per year per agent, without “cold-calling”, working with strangers, expired’s or For Sale By Owners; and they help each other become wealthy.
